Randy Ziegenfuss, Ed.D.
Salisbury Township School District

Maryam Phillips
Executive Director

CANDIDATES SOUGHT!

HSLC seeks new members for its Board of Directors, which has oversight responsibilities for the organization and its mission to support and promote libraries across Pennsylvania.

The Board of Directors meets monthly, alternating between in-person and conference call meetings. One planning retreat is held in the fall, and lasts two days. In-person meetings are currently held from 10 AM until 1 PM in Ephrata, PA, and the planning retreat location varies. In addition, board members are expected to commit 4-5 hours per month on board activities and/or committee work between meetings. Board members serve for 3-year terms.

Previous applicants are welcome to apply. This year the board has placed emphasis on adding active professional librarians who represent Special Collection libraries, and/or libraries located along the northern tier of Pennsylvania.

LETTERS OF INTEREST

Librarians interested in being considered for the board are encouraged to forward a letter of interest that includes the following information:

- Your name and contact information, including an email address,
- Your Pennsylvania library name and type (school, public, academic, special),
- Confirmation that your organization permits you to attend monthly meetings of the board,
- Special skills or professional relationships you would bring to the board (strategic planning, marketing, financial, etc.),
- Experience with other boards, especially related to the library profession, and
- Finally, please tell us what prompted you to consider a board commitment to HSLC.

Please address your letter of interest, or questions to:
